WHO WE ARE

For over 24 years, Absolute Staffers has served as a trusted healthcare staffing partner to federal agencies, military installations, and correctional healthcare facilities across the United States. We are a Woman-Owned Small Business (WOSB), Minority Business Enterprise (MBE), and SBA 8(a) Graduate — with a Joint Commission Gold Seal that signals clinical quality the same way federal facilities measure their own.

We place the right clinical professionals in the right clinical environments — with quality and compliance, and without subcontracting risk. Every placement is a direct W-2 employee. Every credential is verified. Every mobilization is backed by 24 years of federal delivery experience.
